 swiss design

bumbi[®]

→ the never-miss-me-again doll

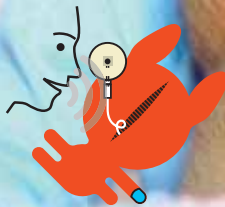

→ bumbi is a cuddly doll that you can customize with your own picture & voice

→ give bumbi to your beloved child, grandchild, sweetheart, etc. so that she/he will enjoy your presence also while you are away

1

cut out a picture (using the enclosed mask) and insert it into the doll.

2

record your message, playback the message by squeezing the blue arm (you can record as many times as you want until you are satisfied with the result).

3

remove the recording-unit and seal the doll. that's it, your doll is now ready to be given as a personal gift.

the recording-unit might be kept for later changes.

→ it's easy to do: your personalized bumbi is individual, thus every bumbi is unique. three steps and bumbi is ready to be given as a gift. your beloved will have many sweet moments.

I recieved a bumbi because...

...mommy has to go to work in the mornings.

...daddy has to go to germany for 6 long days.

...a pony would be too big for our home.

...my darling claudie has invited me for dinner.

...my friends say: not even 35 and already a doctor - that's worth a bumbi oscar .

...my girlfriend borrowed my YSL bag for a week .

...I have everything already.

...my girlfriend is going to paris for the next term.

...my boyfriend loves me.
